### **Notes.**

In all cases, Judges are included on this list at the discretion of the UKEC & ESUK committees, regardless of qualifications. All judging appointments must be followed by a written report submitted to Our Dogs and the show secretary at minimum. Matters such as appropriate breed handling, breed knowledge and general conduct in and out of the show ring, may be considered. It is the responsibility of all judges to provide an update of their qualifications and judging experience at least every two years. It is also useful, but not essential, to provide details of future appointments if known.

Some leeway on numbers judged MAY be granted when a judge is within 4 dogs or fewer of the requirement IF they can show judging experience in Chow Chow, Keeshond or Samoyed. This is at the discretion of the UKEC & ESUK committees.

Throughout this document: The two Kennel Club recognised breed clubs for the Eurasier are the Eurasier Society UK and the UK Eurasier Club, referred to in this document jointly as the "Breed Organisations" and these are therefore the only two organisations relevant to this subject.
